Minutes The Minutes of the previous meeting, having been circulated, were taken as read and signed as a correct record.

Matters arising Litter picking there had been no response to the publicity in the Morville News, however Dr.Yuille had shown interest and said she would encourage others to help. The clerk had ordered equipment which would be delivered to Stanley Lane. Several Councillors said they would collect litter in their immediate area..

Reports County Councillor Cllr Tindall explained the reason why the application for dwellings at Monkhopton had been approved even though the Parish Council had objected. The Area Planning Manager, in consultation with and the Local Member had agreed that following an amendment the proposed development could not be considered contrary to the community's housing development aspirations. Cllr.Tindall left the meeting at this point.
